RE: C00461368

Dear Mr Whyrick:

This letter is in response to your request for additional information regarding the Buck for Colorado Amended 30-Day Post-General Report (10/14/10-11/22/10), received at the FEC 4/14/11.

Your letter pointed out that the Cash on Hand at the end of the reporting period, on line 8, of the Summary Page information did not equal the Cash on Hand on line 27 of the Detailed Summary Page information.

According to our database vendor, the FEC software upgrade, installed at all FEC database vendors the first week in April, had a glitch in the print utility, which was installed by the FEC at the vendor's site with the upgrade. The glitch apparently only affects the printing of the Post-General report to a pdf file. Our vendor sent us a "fix" supplied to them by the FEC (Fecprn.exe) which enables us to print the pdf file correctly from the electronic version of the report (the .fec file).

Since Page 3 of the Summary Page information is apparently the only portion of the Post-General report affected, we are attaching only the Amended Summary Page information and Detailed Summary Page information (pages 1-7).

Please feel free to contact me directly if you have any questions.

Sincerely,

Cheryl Klein  
Deputy Treasurer
